

# Placerville Republican

EL DORADO COUNTY'S ONLY DAILY NEWSPAPER

VOLUME XLVIII

PLACERVILLE, EL DORADO COUNTY, CALIFORNIA, WEDNESDAY, OCTOBER 19, 1938

NUMBER 226

Is it Hangtown, or Placerville?  
Or, to go still further back in our community history, how about returning to the name "Dry Diggings?"  
Since the El Dorado County Chamber of Commerce has chosen to dignify the proposition of changing the name of Placerville by appointing a committee to make a survey as to the opinion of the community on the matter, it would seem that the situation is wide open for public comment.

We can conceive of "Hangtown" as a part of the tradition of Placerville, but we do not believe that upon serious reflection the El Dorado County Chamber of Commerce will find that Placerville would willingly become Hangtown again.

The community is no different than the men and women who band together to form that community, and we can imagine that in their earlier years certain of our various business and civic leaders were known by various nick-names.

They probably called each other "Skinny," and "Pug Nose," and "Skeets" and "High Pockets" and "Fat" and "Dopey" and all of the other names with which boyhood companions endow each other.

Now these men have grown to manhood, and their nick-names are gone—forgotten except on those rare occasions when the former intimates may get together again and "re-live" for a few precious minutes some of those earlier days.

We think it is the same with "Hangtown." Placerville has outgrown the nick-name. It is good to have it as a part of our tradition and there may or may not be an advantage in being able occasionally to "re-live" the days of Hangtown, but as a "steady diet," we would no more call Placerville "Hangtown" than we would address our grocer, baker, banker or other community leader by his childhood nick-name; unless we found him rolling a hoop down the sidewalk as the community does, on rare occasions while playing at "Hangtown."

We presume this puts us on record as registering a "No" vote in the survey.

## Special P. T. A. Meet Monday

State Officers To Speak At Grammar School In Meeting Called For Three O'Clock

A special meeting of Placerville Parent-Teacher Association will be held at the grammar school building on Monday afternoon at 3 o'clock.

All groups of the P. T. A. in the county are being urged to join with the Placerville group for the meeting at which Mrs. C. W. Corson and Mrs. E. I. Bartlett, both state officers, will speak.

Mrs. Corson is chairman of the elementary-rural extension and Mrs. Bartlett is manager of the Parent-Teacher education bureau. They will give a demonstration on parent education which, it is believed, it will be worth the while of all interested to hear. At the close of their talks there will be a "question box."

A social hour will follow the meeting during which all will have an opportunity to meet Mrs. Bartlett and Mrs. Corson. Refreshments will be served.

## U. C. Provides Program For High School

The University of California Deputations Committee, co-operating with the California Men's Club of El Dorado County, is sending two speakers and an entertainer to the county high school to take part in a student assembly at the high school on Thursday afternoon.

The visit of the speakers and entertainers was arranged by the California Men's Club in co-operation with the high school officials.

## 14 Saved As Burning Airliner Lands

MONTGOMERY, Ala., (AP)—Pilot Dave Hissling by cool courage and quick thinking landed a burning Eastern Air Lines plane from 1,400 feet last night and saved 14 lives, including his own.

## FAIR PROGRAM STREAMLINED

2-Day Entertainment Bill Announced Wednesday Morning; Amateur Hour Off

A "streamlined" two-day entertainment program for the County Fair this coming Saturday and Sunday was announced Wednesday morning by the committee in charge.

The events originally billed for the three days of the fair as planned for last weekend and then canceled owing to the storm, have been crowded into the two days.

The American Legion Amateur Hour has been dropped all together as have the log-sawing and log-bucking contests.

Here's the two-day bill:

### SATURDAY

10:00 a. m.—First Annual Soap Box Derby, on Sacramento Street; Paul Smith, chairman.

1:00 p. m.—Kids' Circus and Boy Scout Demonstration, at M. P. Bennett, Jr., Memorial Park.

6:30 p. m.—Exhibition soccer football game between two local teams.

8:00 p. m.—Concert in main exhibit tent.

### SUNDAY

12 noon—Horse show starts on playing field. The complete two-day horse show as originally scheduled last week end will be presented, and will continue for a period of approximately eight hours. The order of events will be the same as outlined in the official program, beginning with the first event scheduled for Saturday, and continuing in order through the entire two-day show of 24 events. Season tickets to the fair will admit to general admission at the horse show. Reserved seats will be available at an extra charge and will be found a convenience by those who may wish to leave their seats during the show and return to them later in the day.

## Senior Ticket Sale Opens

Seats May Be Reserved At Fox Drug Store For Play On November 4th

The ticket sale for the annual Senior play at the high school, to be given Friday evening, November 4, opened this week and purchasers of tickets are advised that they should attend promptly to making reservations.

The general admission tickets may be exchanged for reserved seat stubs upon application at Fox Brothers drug store.

The presentation, which is in rehearsal under the capable direction of Thomas Flynn, is a three-act comedy, "Don't Ever Grow Up."

Anyone who has misgivings concerning the direction in which "Young America" may be headed will find reassurance in the lines of this glowing comedy by James Reach, whose "Don't Ever Grow Up" maintains his reputation as being one of the best modern interpreters of American youth.

## SCRAMBLE FOR VOTES ON AS HAIGHT RELEASES HIS FOLLOWERS

LOS ANGELES, (AP)—There was excited speculation in the Olson and Merriam camps today over who will get the half million or so voters that Raymond L. Haight might have polled in the final election.

Haight, progressive nominee, released his followers last night without throwing his support to either of his rivals.

He lambasted both Gov. Frank Merriam, the republican nominee, and Culbert Olson, the democrat, and told his supporters to take their choice between the two on the basis of the candidates' actions before the November ballot.

## Grand Jury Discharges Man In Mercy Killing

MINEOLA, N. Y., (AP)—Harry C. Johnson, wealthy retired gasoline distributor who killed his hopelessly ill wife, Jennie, because he felt so sorry for her, was released from the prison ward of Meadowbrook Hospital today. The Nassau county grand jury declined to indict him.

IN PALESTINE—More of these armored cars, shown on a Jerusalem road, will be sent to Palestine soon by the British to subdue the terrorism and brigandage that have developed from clashes between Jews and Arabs there. About 4000 men and a battery of artilliers will bring British forces in the Holy Land to 17,000.

## "SPOOK" PARADE FOR BOYS, GIRLS

Placerville Lions Sponsor Community Hallowe'en Fete On Monday Night, October 31

All of the witches and ghosts and goblins and brownies which are abroad in Placerville on Monday night, October 31, are invited to join in a "spook parade," which is being arranged by the Placerville Lions.

Plans for the event were discussed at a committee meeting following the regular club luncheon on Tuesday and were announced Wednesday morning by Lion President H. E. Dillinger.

"Service clubs in some other communities have such a program for the boys and girls at Hallowe'en time and I see no reason why Placerville can not do the same," Mr. Dillinger said. "Of course, if the spook parade does not strike a popular chord, we can abandon it in future years, but the idea appears to be a good one and we will at least give it a try."

All of the witches, ghosts, goblins and brownies and other mysterious characters who are associated with Hallowe'en are invited to meet at the Druid monument, Main and Cedar Ravine streets, at 8 o'clock on Monday night, October 31.

There they will form a parade and march down Main Street to Canal Street, and then counter-march to the bell tower on the plaza, where a short program which is now being arranged will take place.

Boo!

## BISHOP PORTER CONDUCTS SUNDAY SERVICES; CHOIR TO BE HEARD

On Sunday morning, October 23, at 11 a. m. special baptismal and confirmation services will be held at the Episcopal Church in Placerville. The Right Reverend Noel Porter, D. D., Bishop of Sacramento will officiate, assisted by Rex A. Barron, minister in charge of the parish.

The newly organized Junior Choir will make its initial appearance on this occasion and in addition to leading the praise service will sing as an offertory, "The spacious firmament" from Hayden's "Creation."

In the unavoidable absence of Mrs. Roland Healy, the choir will be directed by Mrs. Thomas Flynn, and Mrs. M. E. Wright will preside at the organ. The public is very cordially invited to this service.

## California Alumni To Attend Two Meetings

Members of the California Men's Club of the county are planning to send representatives to each of two meetings to be held in this vicinity under auspices of the California Alumni Association.

President Robert Gordon Sproul, of the University, will address a meeting of California graduates at Grass Valley on Sunday, October 23, at the Bret Harte Hotel at 6:30; and on Monday, October 24, at Hotel Senator, Sacramento, at 6:45 o'clock.

There will be representatives of the alumni from El Dorado County at both meetings.

Miss Ruth Lyon left Wednesday to spend a vacation of about ten days at San Francisco, Mill Valley and elsewhere in the Bay District.

## Girls' Hi Jinks Thursday Night

The annual Girls' League Hi Jinks will be held at the high school Thursday, October 20, starting at 7 p. m. and ending at 9:15 p. m., says an announcement issued Wednesday by Mary Edna Henderson, chairman of publicity for the Girls' League.

Mothers are cordially invited and each high school girl may bring a "big sister" if her mother is unable to attend.

All girls will be in costume and prizes will be given for the prettiest, most original and funniest costumes. Refreshments will be sold and the evening devoted to dancing, games, class stunts and fortune telling.

## Finger Printing Project Begun

Twenty-Thirtians Run Out Of Supplies And Order More In Service Work Launched Oct. 10

The finger printing project of the Placerville Twenty-Thirty Club, launched October 10, has resulted in the taking of the finger prints of 350 persons.

The club ran out of cards on which to register the prints and is expecting an additional shipment of 1,000 at an early date.

Each person whose finger prints are taken makes 14 separate impressions on the card, so that it can be seen that the project is one that represents a great deal of work on the part of the Twenty-Thirtians, with whom universal finger printing is a national project.

Active in the project are Paul Rosier, chairman; and Ed Sayers, George Sayers, Ted Atwood and Henry Leffevre.

Anyone who desires may have his finger prints taken by the club. Copies of the prints are sent to Washington and placed in the civilian identification file. The project is based upon the voluntary co-operation of the public and the committee in charge announces that in their experience, it requires about ten minutes to take the prints.

The committee has had the assistance of the sheriff's office in perfecting their ability to take finger prints, and has been granted the use of the fingerprinting equipment of the sheriff's office.

## PHILIPPINE CLIPPER'S NARROW ESCAPE FROM CRASH IS BARED

HONOLULU, (AP)—Passengers aboard Pan-American Airways' Philippine clipper, arriving here nearly a week behind schedule, revealed today that the giant ship had narrowly averted a forced landing at sea half way between Manila and Guam.

Six hundred miles out of Guam the clipper began sideslipping from an altitude of 8500 feet.

The passengers, two women and two men, said that at the rate of approximately 2000 feet a minute the flying boat headed down until it was about 100 feet above the water when Capt. A. E. LaPorte managed to level it off with three motors running. It skimmed above the waters and finally gained altitude again.

Fred Spriggs came to town early Wednesday from his resort in the American River Canyon.

## YOUTH ADMITS BURGLARY

Report On Probation Plea Scheduled For Friday Afternoon In Superior Court

Ray Miller, 19, who had confessed four burglaries at the Shell Oil Station at the junction of Main and Canal Streets, pleaded guilty to the charge in Superior Court Wednesday morning and made application for probation.

Judge George H. Thompson referred the application to Probation Officer Charles W. Ball for investigation and set Friday afternoon at 3:30 o'clock as the time for receiving the report and for passing sentence.

Miller had been arrested early on last Friday morning when he was caught in a trap set by city officers in an attempt to solve a puzzling series of pilferings at the service station. The serial numbers of currency left in the station cash drawer at the time of closing Thursday night had been taken by the police department, and a guard was posted over the station, resulting in Miller being arrested about 4 o'clock in the morning as he was leaving the station.

He subsequently confessed the burglary to Chief of Police James Morton and explained that he had entered the station by using a key which had been given to him during his employment there, and which he had reported as having been lost when he severed connection with the station.

Other thefts said to have been confessed by Miller are reported by authorities to have been from places where he was employed and where he had a right to be, and therefore could not be included in a burglary charge, being under the law "petty thefts." The confession of these petty thefts, it was indicated, may become a part of the probation officer's report.

## "BIG GAME" DINNER SET FOR NOV. 14 BY U. C. ALUMNI

"Crip" Toomey, athletic director at the Branch College of Agriculture at Davis, who was a halfback on Coach Andy Smith's "wonder team" at the University of California, will be the main speaker at a "big game" dinner and rally to be held Monday, Nov. 14, at Hotel Raffles. It was announced Wednesday by the California Men's Club.

Stanford alumni are especially invited to join in the meeting and the general public, if interested in either team, is welcome to attend.

It is hoped that the "big game dinner" may become an annual event, to be held on the Monday before the big game, which this year will be on Saturday, November 19, at Berkeley.

## U. S. Foreign Policy To Cement Americas

WASHINGTON, (Copyright 1938 by United Press)—A high administration official informed the United Press today that immediate American foreign policy will be directed toward consolidating the efforts of all American republics to safeguard and maintain their democratic institutions and forms of government.

Rev. Harold Morehouse was at Polson Tuesday and Wednesday attending the meeting of the Sacramento Presbytery.

## WEATHER

Fair tonight, Thursday; slightly warmer; moderate westerly wind.

## ARAB REBELS ROUTED

Jerusalem "Captured" By Attacking Force For First Time In Seven Centuries

JERUSALEM, (AP)—British troops marched into the walled old city of Jerusalem and began dislodging the Arab rebels who had held the city for two days and terrorized the motley population of 27,000.

British aircraft dropped thousands of leaflets in the three official languages—English, Arabic and Hebrew—calling on the inhabitants to remain in their homes during the scheduled military operations in the city.

The British forces comprised 2000 troops, including a detachment of the famous Coldstream guards, and 4000 Jewish supernumerary police, who were consolidated with the military under the state of semi-martial law which prevails throughout the country.

The actual entry into the old city was accomplished with few casualties. British authorities announced a Coldstream guardsman and a British constable were wounded and four Arabs killed.

It was a repetition of Jerusalem's history dating back thousands of years. Not since Saladin I of Turkey entered the city on October 2, 1187, and drove out the Crusaders, had it been attacked. But before that it had been besieged, captured and destroyed time after time since the days of Solomon.

## Flower Show Plans Told

Club Carries On With Exhibit As Committee Chairman Is Seized With Appendicitis

Preparations are being made by the Placerville Shakespeare Club for presenting the flower show at the County Fair on Saturday and Sunday and public co-operation in making the display a success is invited by the club officers.

In addition to suffering storm damage to the flower display as arranged last week, and the wilting of some cut flowers during the intervening week, the club has the further distressing problem of having lost the services of its exhibit chairman.

Mrs. Juliet Risser, who was chairman for the exhibit, was stricken with appendicitis and was operated upon Tuesday morning at Placerville Sanatorium for a gangrenous appendix. Her doctors reported Wednesday that her condition is entirely satisfactory.

Thus sharing the handicap of postponement of the entire fair, and the further misfortune of losing the services of the exhibit chairman, members of the Shakespeare Club are determined to spare no effort to make the flower show this weekend an outstanding success.

Those who have plants or flowers to contribute to the display are asked to deliver them at the main tent on Friday, from noon until late evening, or in any event not later than Saturday morning at ten o'clock, according to Mrs. Hand, club president.

## Pre-School Tots To See Dentist On Friday

Dr. Frank T. Jones, dentist with the state bureau of child hygiene, who this week is at Placerville grammar school conducting a dental health survey, announced on Wednesday that a special hour for pre-school children will be held Friday at 2:30 o'clock.

The parents of children between the ages of three years and six years who desire to have the children examined by Dr. Jones, are requested to present them at the grammar school on Friday at that time.

## Panama Spy Link With N. Y. Case Sought

PANAMA, (AP)—Canal Zone authorities sought today to link four Germans, charged with photographing a heavily fortified Panama Canal area, with German spy suspects now on trial in New York.

District Attorney J. J. McGuigan requested United States District Attorney Lamar Hardy, in charge of the New York spy trial, to question witnesses in the trial as to any knowledge they might have on the Panama suspects.

## Job Insurance Records Being Swelled

More than 800 employer registration forms are being received daily at Sacramento headquarters of the State Department of Employment as a result of a drive by the Department to complete registration of every California employer.

This announcement was made today by Alston W. Sutton, manager of the Department office here, who said employers in this vicinity are cooperating with the Department by mailing in the registration forms.

## SAN DIEGO CLUB TO BE SOLD UNDER TERMS OF LANE WILL

SAN DIEGO, (AP)—The last will and testament of Bill Lane, late owner of the Padre baseball club who died here October 9, asked that the club be sold "at the first opportunity."

The will was drawn up in Los Angeles on Jan. 10, 1936, and named three executors: Charles Baum, San Diego; Philip J. Purcell, Salt Lake City, and the Rev. Joseph Truxaw, Los Angeles.

Lane asked that "all my properties" be converted into cash and held in banks. This was taken to include the San Diego baseball club of which he was president.

The will also stipulated that \$100 a month was to be paid his divorced wife, Mrs. M. E. Lane, Spokane, Wash.

## Up and Down Broadway

By JACK GAVER  
United Press Staff Writer

NEW YORK, (AP)—In writing the first comedy hit of the season, Clare Boothe has dunked the movie industry, the professional southerner and various reprehensible types of "damsyan-kees" in a vat of vitriol which takes the hide right off virtually everyone in sight. "Kiss the Boys Goodbye" is the innocent title under which she has masked the poisoned barbs which often dart in and around the stage of the Henry Miller Theater at high speed from its first to final curtain.

Miss Boothe is the author of "The Women," that play with an all-female cast which dealt with the general catfish of her sex in a forthright and amusing fashion a couple of seasons ago. It is nice to report that she has lost none of the ability to call a heel heel in crisp laugh-laden words.

"Sing out the News" is a pretentious musical revue from the workshop of Max Gordon, who has Playwrights George S. Kaufman and Moss Hart as his partners in the financial end. It is to be regretted that Kaufmann and Hart also did not write the sketches.

The show is the child of Harold Rome, lyrics and music, and Charles Friedman, who conceived and directed. These young men were responsible for last season's surprise amateur hit, "Pins and Needles," a revue which the garment workers' union produced for its entertainment only to find that

everyone wanted to see it. "Sing out the News" is of the topical variety, with almost every song and sketch dealing with some element of current parade, national and international. Its weakest points are the sketches, which contain merit, but for the most part have a tendency to droop after some amusing preliminary sparring to fade out in flat finishes. The best sketch is "Up, Fiorello," dealing impishly but affectionately with New York's mayor.

Burns Mantle makes his annual invaluable contribution to the record of the theater with the 1937-38 volume of his series of "Best Plays" books, published by Dodd, Mead & Co. As usual, he has picked what he believes to be the "ten best" plays, outlined them in detail with snatches of the dialogue, and compiled a complete record of every production last season. The selection in this edition are "Of Mice and Men," "Our Town," "Shadow and Substance," "On Borrowed Time," "The Star-Wagon," "Susan and God," "Prologue to Glory," "Amphitryon 38," "Golden Boy" and "What a Life."

Another critic, John Mason Brown, contributes a new volume to the theatrical library with "Two On the Aisle," Norton, a record of the theater in terms of his reviews over a 10-year period. Brown is one of the most literate and astute of critics and this is entertaining as well as instructive reading.

## NEW REDUCTION PLANT FOR SLIGER MINE BOOSTS CAPACITY

Cyanide plant to treat concentrates and tailings is reported planned at Sliger mine in El Dorado County, operated by Middle Fork Gold Mining Company, C. W. Plumb, general manager, Auburn. Present 100-ton daily capacity of the mill is to be increased to 125 tons daily, and electric power has been provided. Operation of the Sliger was resumed several months ago by Middle Fork company after option held by the Mountain Copper Company, Ltd., had been relinquished. About 65 men are working. The Mining and Industrial News.

## Czech President Will Lecture At Chicago

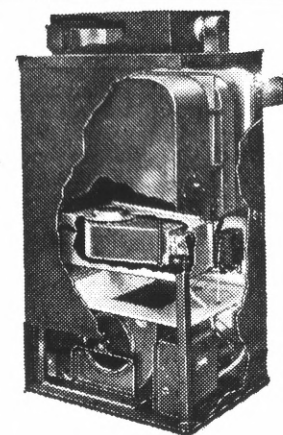

CHICAGO, (AP)—Dr. Eduard Benes, former president of Czechoslovakia, has accepted an invitation to be a visiting professor at the University of Chicago. It is expected he will leave Prague in a few weeks and come directly to Chicago.

Robert M. Hutchins, university president, said details of the appointment were incomplete. It was indicated that Benes would lecture on democratic institutions.

## Queen Mary Is Docked Without Tugs

NEW YORK, (AP)—The 86,000-ton liner Queen Mary docked at her North River pier yesterday without the assistance of tugs.

The difficult and dangerous task was necessitated because of the strike of 2,000 tugboat workers whose representatives refused special permission for them to aid the big liner at the end of her western trans-Atlantic voyage from Southampton with 1,601 passengers.

### "TYPICAL U. S. FAMILY" ATTENDS CHURCH "OCCASIONALLY"

NEW YORK, (AP) — The "typical" American family, Mr. and Mrs. Glen Craig and their children, Emmy and Billy, of Muncie, Ind., continued a busy schedule of sight-seeing today.

Under the name of "Middletown," Muncie has been the subject of a study of the typical American community by Dr. Robert S. Lynd. The Craig family was selected by The Muncie Press as the typical family of the typical community.

"We're having a lot of fun," Craig said. "But honestly, we're just ordinary hard-working people."

Being chosen as "typical" has made a decided difference in the Craig social activities, Mrs. Craig said.

"Everybody has been so nice," she said. "They all want to meet us now and they seem to be so proud of Muncie."

Craig 34, is employed by the Muncie water works at \$125 a month. He said he paid \$20 a month rent for the Craig four-room apartment and about \$40 a month for food.

He does not gamble or drink, but smokes one pack of cigarettes a day. His wife does not smoke or drink because she does not like the taste of either. They are Protestant, but go to church only occasionally.

### SPOUSE IRKED AS WIFE FLEES THIRD TIME WITH FLUTE

NEW YORK, (AP) — John Oresky put this notice in the personal columns of an afternoon newspaper:

"My wife (Johnnie Oresky) having left my bed and board and absconded with my flute, I am not responsible for her debts, John Oresky, musician."

Oresky, who claims to have played with some of the best bands in the country, said it was the third time his wife had disappeared, and had taken only the instrument with her.

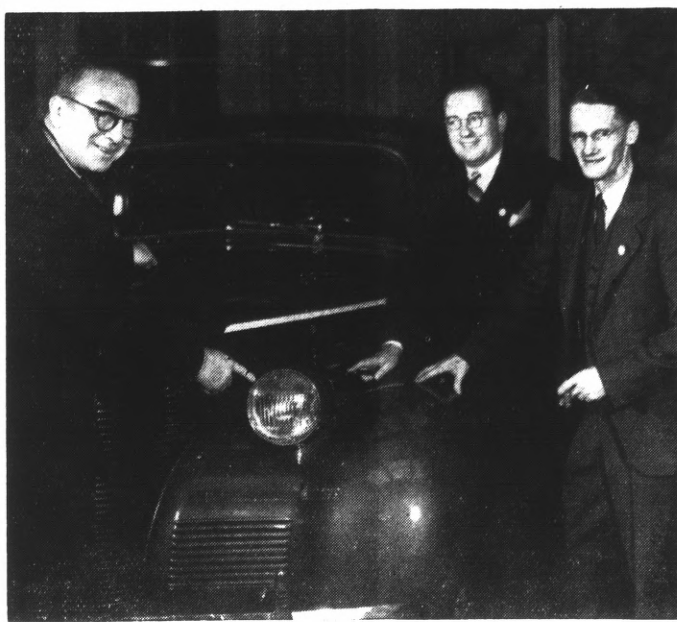

"It's no good to her but she hates it," he said. "She is very jealous of my flute and my music."

Oresky said he told his wife he was going on tour and that she vanished shortly thereafter. He pointed to a clothes closet.

"Look at her clothes," he said. "See, here's a whole drawerful. This closet's full of dresses. Look. Can you imagine a woman like that? She runs away and all she takes with her is my flute that is of no use to her. How she hates it!"

### 23 YEARS LATE

MALTA, Mont., It took it 23 years to arrive, but Nels Watney, local garage man, finally received the letter his sister wrote Jan. 14, 1915, from Carpio, N. D., 300 miles away.

FEATURES IN THE DESIGN of the new Chevrolet for 1939 are pointed out by dealer Lloyd Cannon to John A. Raffetto, Jr., and C. E. Barker. The picture was taken at San Francisco. The men attended the formal west coast preview of the new Chevrolet model, which goes on public display at the Cannon Chevrolet Company in Placerville, and in other salesrooms throughout the nation this coming Saturday.

### Cannon Attends Sales Meeting

"We Saw Something," Declares Dealer Present As Preview Of Chevrolet For 1939

"We saw something!" so declared Lloyd Cannon, head of the Cannon Chevrolet Company when he and members of his sales and service departments returned from San Francisco where they attended a pre-showing of the new 1939 Chevrolet.

"On October 22, the most startling announcement in automobile history will be released at the public showing of the new 1939 model Chevrolets," said Mr. Cannon. "Our 1938 car was America's Number One sales leader

and it has practically everything—but this new car is so outstanding and offers so much for so little money that I think America will proclaim it the greatest automobile buy of all times when it is introduced on October 22.

"The 1939 Chevrolet is bigger and better in every way than the '38 car and incorporates seventy-five major improvements of such utility, beauty and economy that I am convinced we have a car that the public will buy in great numbers."

"We were advised that immediate deliveries will be available on Announcement Day and that the Chevrolet plant in Oakland is in full production," continued Cannon. "Our preferred order campaign for the 1939 car has been the most successful in Chevrolet history and the production rate has been stepped up over the

**HUGE OPAL MINED**  
SYDNEY, (AP) — A German digger named Otto, working at Lightning Ridge, Australia's famous opal field, recently dug up a 15-ounce opal, valued at \$7500, the largest found there in the past 20 years.

Albert Martin was a caller on Tuesday from his resort at Riverton.

1938 product year because of the advance orders for a car that only a few of us have actually seen. We think this is a great tribute to the public acceptance and reputation of the Chevrolet product.

"In addition to divulging the numerous improvements and refinements in the new Chevrolet, Mr. Abe Parker, Chevrolet zone manager, and his staff, through the medium of elaborate skits, presented us with the most modern methods of merchandising which we will employ during the coming year. "Advertising and promotional programs, in which newspaper advertising plays a major part, were also outlined to us, as were splendid educational programs on service and management."

### ALL-AMERICAN CANAL DEDICATED BY SEC. ICKES

YUMA, Ariz., (AP) — A 20-year-dream materialized Tuesday when Secretary of the Interior Harold L. Ickes punched a button and diverted the flow of the mighty Colorado river into one of man's greatest achievements, the All-American canal which ultimately will bring to fruitfulness 900,000 acres of now barren land.

Before a huge throng of Imperial Valley citizens gathered at Imperial dam, 20 miles north of Yuma, Secretary Ickes recalled the long and valiant battle of the valley people against drought and flood, carrier to fruition with the \$24,000,000 canal.

When Spanish explorers under De Alarcon visited southern California's desert region in search for gold 399 years ago, there was not enough nourishment to support a horned toad; today the valley has become America's "winter garden," the secretary recalled, bringing more gold to the farmers than the early conquistadores had ever visioned.

## Still Coughing?

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion and you'll get the genuine product and the relief you want. (Adv.)

## Hangtown Service Station

Main and Bridge St. Placerville

BILL SHUMAN  
 Your Smiling Associated Dealer

PHILIP BANCROFT, at left, candidate for the United States Senate, meets a buddy who served under him during the World War. Bancroft had not seen George E. Thatcher, right, who was a sergeant in Bancroft's company in France, since the war ended. They met in Redding, California, where Bancroft stopped on a state-wide campaign tour and where Thatcher is employed as a truck driver. "It isn't often a man speaks for his superior officer," Thatcher said after the dramatic meeting, "but I want to say that Lieutenant Bancroft was as fine an officer as I have ever known, and I'm going to continue working hard to help get him elected to the United States Senate."

## "CRACKPOT IDEAS" DRIVE DEMOCRATS TO SUPPORT BANCROFT FOR SENATOR

A major swing of Democrats to the banner of Philip Bancroft, fighting former senatorial nominee, is under way in the vast agricultural and politically powerful area of the San Joaquin Valley.

At Bakersfield, hub of the valley, the chairmanship of the Bancroft-for-senator committee in Kern county was accepted today by William B. Camp, prominent New Deal democrat who was for five years an executive in the cotton division of the AAA.

In Kings county, J. B. Boyett, Corcoran businessman and lifelong democrat, assumed charge of the Bancroft county committee, breaking through party lines for the first time in his life.

"I can't stand the 'Ham and Eggs' and other crackpot ideas of Bancroft's democratic opponent, Sheridan Downey," said Camp in explanation of his switch. "No real democrat and no real American can fail to support Phil Bancroft and I'm sure he will win in November."

Camp's non-partisan committee for Kern county includes such other prominent Democrats as Clarence C. Seldon, manager of the California cotton cooperative, Mrs. Harry W. Lang, and Thomas Wingate, former member of the county central committee, who termed himself "just one of the many disgusted democrats."

Boyett attributed his support for Bancroft to Bancroft himself.

"He's a real man," Boyett said. "I have never in my life voted for a republican for anything, but I'm taking my coat off and going to work for Bancroft. And I think every other democrat should consider it his duty to do the same. I expect Bancroft to carry this county and to carry the state by a wide majority."

Mrs. Mary Merryman was a visitor in the county seat Wednesday from her resort above Smith Flat.

L. J. Anderson was at Sacramento in business in behalf of the County Fair.

## You Will Pay More Under A Single Tax

California wouldn't be California under a single tax! When it is realized that a single tax is not a substitute for any tax but is a substitute for Democratic government, you will realize why you will pay more under its terms than you do now under the sales tax. Under the sales tax, you and I share alike, according to our ability to pay, in the costs of government. We share equally in its benefits too. That is Democracy.

The single tax, which appears as proposition 20 on the November ballot, was designed by a few theoretical men who believed that there should be no private ownership of land. In other words they saw no reason why people should own their own homes.

## CONFISCATION

To prevent anyone from privately owning land these single taxers devised a way to take it. They would double or treble present land taxes. This is their plan. Six times they tried in one form or another to foster their scheme on the people of California. Six times voters have seen through the plan. This time they try a different idea.

## SALES TAX KITE

They believe the sales tax to be sufficiently unpopular to make us want to repeal it. So they propose this—

Repeal the sales tax and substitute for it the single tax on land alone. It is plain to see that by this subterfuge they believe they can dupe Californians into voting away their civil rights, their rights to own property.

Other dangerous parts of the single tax proposition are these strong possibilities that insufficient money could be raised by the plan to—

Keep our schools open, provide aid for our aged, blind and other unfortunates. This can't happen. We must vote "no" on 20!

## Well, Anyway "73s" Are In Order

PAOLA, Kan., (AP)—J. W. Davis, an oil well drilling contractor, was busy today trying to correct the mistake of an unimaginative telegraph operator. The well that Davis had been drilling near here came in last night and he wired a friend in Oakland, Calif.: "30-bbl. baby born 8:45 tonight." The telegraph operator made it: "30-lb. baby."

Abstract of judgment, Alice L. Carpenter vs. Wm. E. Gray.  
 Deed, Melva T. Goodhue and James H. Goodhue to Jean R. Turner.

The Glenn County dairymen's association met on October 17.
